April 2008

Cost Share Sign-up

The Linn County Soil & Water Conservation District will be holding cost-share sign-up for fiscal year 2009. Sign-up will be held May 1st thru May 30th. If you have signed up the last three years and did not receive cost-share assistance, you will automatically be placed at the beginning of the assistance list. We will send a letter to these landowners. If you receive a letter, you must still come in and sign up.

Just a reminder that if a landowner received cost share assistance this fiscal year (July 1, 2007-June 30th, 2008) you will not be allowed to sign up this coming year.

If you are unable to be present for sign-up, you may designate someone to sign you up by completing an Authority to Represent form. These forms are available in the office and must be filled out prior to sign up. No fax or phone ins will be allowed for sign up.

This is 75% cost share assistance with the maximums being \$11,000 for terraces, \$6,000 for ponds and \$3,500 for all other practices.

The Board has recently made some changes to the Districts cost share policy. Landowners who have had a practice staked out for cost share assistance and back out, will be ineligible to sign up for cost share assistance for three years following the cancellation. Also, all cost share practices will be surveyed and staked out one time by District personnel at no cost to the landowner; if the landowner does not maintain the survey and staking flags, the landowner must make arrangements through a private contractor to meet the design criteria if cost-share for the practice is desired.

Important Information Regarding Future Newsletters

The Linn County Soil & Water Conservation District will be updating its cost share computer program in the near future. This program includes the mailing list for newsletters.

This has given the District the opportunity to update the list of landowners who receive our newsletter.

We are asking that any landowner who wishes to continue to receive future newsletters, complete the form below and return to the Linn County SWCD office. You may also call the District and leave your name, and address and we will be sure to include you in future mailings.

Please note that if you do not notify the office, you will not receive future newsletters.

Newsletters help us keep landowners up to date on important issues including cost share sign up dates and equipment rental updates.
